## **Presidential Address**

A perfect Saturday for rugby delivered positive but mixed results against the old foe, the Waratahs.

The women showed that they are once again a force to be reckoned with a comprehensive display over a combined Ag and Tahs team, new faces looking like they've been playing in Red for years.

The men put up a real fight in both grades, a lack of discipline and possibly a bit of fitness made the day harder than it had to be.

Despite that, the positives can not be overstated. With a full second squad on the bench for second grade these are the best playing numbers in recent history and allow us to grow and develop the club.

The matches are competitive for the full length of the game and there is still huge improvement left in them. As we get to know each other, both on and off the field, we will redevelop and redefine the Reddies culture and demonstrate to the rest of the region that we are back on our feet.

A bit more patience and persistence and the rewards will come and soon.

Full outing against Wagga City this week, and rumour is that there will even be a third grade game available. More information to follow.

## THE DEVIL'S ADVOCATE

### Red Corner Report

The rumours are true. Saturday will see the return of third grade against Wagga City!

A piercing light was creeping through the curtains where Paul “Shoody” Hood rest in his lounge chair, as his favourite program played on his projector screen, M\*A\*S\*H. Confused and dazed as the light began to shine on his face he sat up looking around his man cave in his 8 bedroom 4 bathroom mansion. His wife Carly burst into the room, “The beacons of Reddies, the beacons are lit, the Reddies call for aid” Shoody hard faced, “And Dad’s Army will answer”.

So, that settled it, Tuesday saw the dust blown off the boots, the oil pumped into the old boys joints as he prepares for a return to the playing field.

The Super 2’s will be able to provide plenty of players to this 3rd grade game giving ample opportunity for game time!

Having only played City a few weeks ago the Reddies 1st grade side is already shaping to be a different team to the one that took the field in round one. With some players missing and others coming into the side, it is shaping to be a hotly contested game. First grade coach Paul offered an insight, “I want the boys to watch me in third grade, I lead by actions not words, but if you want to know, I’ll score 2 tries, kick 8 goals, get 2 intercepts and run the length to set up two tries which I’ll pass to players over the try line.”

What do we say about the women’s side that hasn’t been said, disciplined, determined, hard working, committed... Well, not exactly what Wayne Bennett... Andy Bedford said, “Look, everything is great except, I can’t get them to sing the new song. I try to get them to do it but we get tongue tied, so I hope we continue winning so we’ll keep trying and it will sound right soon”

**Old Boys Corner - Reddies in Union**

The Reddies Old Boys Association has a vast network of former players, officials and supporters. The group was initially formed as a result of the great friendships formed through playing with the club and with people moving on after uni studies it was a way of keeping in touch. Over the years we have enjoyed many catch ups at Rugby Tests, Race Meetings, Old Boys Days in Wagga, Club Reunions and many other assorted gatherings. We also provide financial assistance to the club in a variety of ways - to put it simply we all love the club and continue to support the Reddies in any way we can.
