2ND GRADE BUS TRIP
REDDIES VS DENI

ISLANDER NIGHT TBC

LADIES DAY
SATURDAY
24TH JULY

DEVIL'S ADVOCATE

Second half of the season begins!

Winter is starting to really settle in and the football for the Reddies is having mixed results. On and off the field the boys and girls are really putting in the effort but at times there is some lapses in concentration allowing the opposition back into the contest or running away with the game. But things will turn!

“Ladies day is shaping up to be a big day!”

Presidential Address

*Mr Ryan Giacca
President
Wagga Reddies*

Welcome to the 2nd half of the season. We have all put in a lot of work until this point and it is important that we follow through with it to the end. Overall the men and women are tracking solidly, especially 2nd and 3rd grade who are starting to hit their straps.

Tough going for 1st grade and women at the moment but with hard work and commitment the results are sure to come.

We have a few social events coming up, with Ladies Day shaping to be a huge event. The club will be supporting the great cause by raising money for Endometriosis research and treatment. There will be drink, food and music on the day, hopefully the weather holds too.

It is important that as a club we all continue to demonstrate the desirable traits of the Reddies. Let's remember to be humble in victory, gracious in defeat and keep working hard off the field (especially at the Palm & Pawn) as well as on it.

Old Boys Corner - Reddies in Union

The Reddies Old Boys Association has a vast network of former players, officials and supporters. The group was initially formed as a result of the great friendships formed through playing with the club and with people moving on after uni studies it was a way of keeping in touch. Over the years we have enjoyed many catch ups at Rugby Tests, Race Meetings, Old Boys Days in Wagga, Club Reunions and many other assorted gatherings. We also provide financial assistance to the club in a variety of ways - to put it simply we all love the club and continue to support the Reddies in any way we can.

Physiotherapy

This year we have partnered with Synergy Healthworks, located on the corner of Kincaid and Slocum Street.

As a part of this we are able to attend a free triage clinic every Monday morning from 6.30am-8am. You must book this in with Shood or Ryan Giacca by Sunday if you want to attend.

We will also have a physio available on the weekends and the occasional Wednesday night training.

Sports Massage

We have again partnered with Evolution Remedial Massage, located on Johnston Street.

One of our Reddies boys is the owner operator and has offered a 10% discount off their full price services for current and registered players.

To make a booking visit their Facebook or instagram, alternatively you can book online at their website.
