Presidential Address

The long awaited return of 3rd grade and dominance by the women helped ease what was a long, wet day of rugby on Saturday.

It is with immense pride that we managed to field a full 3rd grade squad, with a bench. It has been a fair time since that has occurred and even with terrible weather, we did it easily.

Several familiar faces put on the Red jersey, alongside a lot of first timers. It bodes well for the future and strength of the club.

Super 2's are on the way back up but 1st grade unfortunately just couldn't match it against a very talented City side. Plenty to work on because we must do it again next week.

Women showed great composure and after a slow start (and hospital pass to Georgia) they gained control and won easily.

Slow and steady but all indications are positive, the numbers are there, the coaches are working well, the talent is developing, there is a good mix of youth and experience and the pub sessions are improving.

We all need to keep at it and every week it will become easier and more successful.

Mr Ryan Giacca
Club President

Old Boys Corner - Reddies in Union

The Reddies Old Boys Association has a vast network of former players, officials and supporters. The group was initially formed as a result of the great friendships formed through playing with the club and with people moving on after uni studies it was a way of keeping in touch. Over the years we have enjoyed many catch ups at Rugby Tests, Race Meetings, Old Boys Days in Wagga, Club Reunions and many other assorted gatherings. We also provide financial assistance to the club in a variety of ways - to put it simply we all love the club and continue to support the Reddies in any way we can.

Old Boy Player Profile

Name: Reuben Robinson

Nickname: Reuby

Years with Club: 4

Position: Flanker (back when it was called breakaway)

Most Memorable Moment: Two 2nd grade grand final wins in '96 and '98. Beating the Aggies in all grades and women's in '96 on their 100th anniversary celebration day when it was the Reddies' 25th anniversary. Very appropriate. Playing with Squirrel. Many other good moments.

Sporting Role Model: Simon Poidevin / Gus Boneham (did I just say that?)

College/Uni Course: Environmental Science

Rugby Career after College: Griffith Blacks for two years. It was nice to play with them for a change after getting pounded by them - they were our main rivals when I was with the Reddies

Most "Colourful" Team Mate: Many contenders but I'd have to say Abo - always ready to speak his mind on and off the field with his unique brand of humour. I haven't been able to erase his chicken dance with Smurf and Gunny from my memory. Many Reddies traumatised by that experience.

I now live in Wagga Wagga
