## **Presidential Address**

The toughest part of the season has been completed and plenty to look forward to over the next month.

We are proud of the efforts of the boys who faced up on Saturday and gave it their all despite a disrupted preparation.

Congratulations to those guys that made their 1<sup>st</sup> grade debuts, there is a lot of youth and ability coming through the ranks which gives us great promise for years to come.

We have said goodbye to our Argentine Gino and wish him all the best as he makes the very long and diverted flight back to Rosario. Travel safe and thank you.

We have all grades playing this weekend and the men's teams are in the hunt to record their first wins of the season, going on recent form and returning players, this is very much within our grasp.

The women will be looking to continue their dominance over the newcomers, the Hay Cutlets, but it won't be an easy match up.

It's going to be a wet week but we only have a month to go, so dig in, get to training, get to the pub after and enjoy every minute.

Mr Ryan Giacca  
Club President  
Wagga Reddies

### **Old Boys Corner - Reddies in Union**

The Reddies Old Boys Association has a vast network of former players, officials and supporters. The group was initially formed as a result of the great friendships formed through playing with the club and with people moving on after uni studies it was a way of keeping in touch. Over the years we have enjoyed many catch ups at Rugby Tests, Race Meetings, Old Boys Days in Wagga, Club Reunions and many other assorted gatherings. We also provide financial assistance to the club in a variety of ways - to put it simply we all love the club and continue to support the Reddies in any way we can.

#### **Old Boy Player Profile**

**Name:** Matthew Ryan **Nickname:** Smurf (i.e Small Murf)

**Years with Club:** 1991,1992,1993

**Position:** Started in 2nd row, but promoted to front row due to my superior fitness and training ethic and the fact Phillip Abbott wouldn't do it.

**Most Memorable Moment:** I think it was the 1992 Albury bus trip. It would be hard to count how many laws were broken on that trip, but luckily we had a safe driver in Pole Cat to FLY us home.

**Sporting Role Model:** I grew up in the Shire and Steve Rogers used to be on his morning run when I was walking to school. I thought he was a legend, and have loved the Sharks ever since, and yes I made it to their first GF win.

**Uni Course:** Business Management

**Rugby Career After College:** I moved around for a while in a banking career, with one season at Southern Districts in Sydney, a couple of seasons with Tamworth Pirates, one season with Powerhouse St Kilda in Melbourne, then back up to NSW with a couple of seasons with Armidale Old Boys, and finished off with four or five seasons with the Mudgee Wombats.

**Most Colourful Team Member:** Every time I meet old boys, Spratty stories always come up so would have to put his name forward.
