Presidential Address

Horrible weather but some great performances shown on the day. The women came out hard early and put the game to rest before the weather turned it into a slugfest.

The men were a bit underdone in facing the travelling Deniliquin and 1st grade were a few key moments away from making their game against Waratahs a closer one.

All signs are positive though, numbers are still strong, team cohesion is coming together and off-field the activities are starting to warm up.

We travel to Tumut this week for all grades. It will be the biggest test for the women and the men are on the hunt for their first wins of the season.

Forecast is sunny and dry, beautiful day for the Reddies to get the results we have worked all year for.

Club President

Player Profiles:

Name: Liam Krautz
Nickname: Krautzy, Lee Lee, gorilla.
Years at the club: First year.
Position or role at the club: player (open side flanker #7)
Most memorable moment in football: I have had a lot of achievements throughout my rugby career. However if I had to narrow it down to one it would have to be my very first, first grade game when I was 14. It was an indescribable feeling.
Most embarrassing moment during your football career: down by two points in the last moments of the game. This was many years ago. I picked the ball up from the ruck, ran down the short side for what felt like an eternity. Fended some players and got to the line and..... dropped the ball. Moments like that haunt you thats my excuse to why I hold the ball so tight.
Sporting Role Model: John Eales. A real leader amongst men.
Favourite sporting team: Brumbies.
Worst habit: My partner says it would be forgetting to brush my teeth. My argument is that I am to busy to remember and a mint does the same job 😊.
One actor to play the role of you in your life movie: Mark Wahlberg.

Old Boys Corner - Reddies in Union

The Reddies Old Boys Association has a vast network of former players, officials and supporters. The group was initially formed as a result of the great friendships formed through playing with the club and with people moving on after uni studies it was a way of keeping in touch. Over the years we have enjoyed many catch ups at Rugby Tests, Race Meetings, Old Boys Days in Wagga, Club Reunions and many other assorted gatherings. We also provide financial assistance to the club in a variety of ways - to put it simply we all love the club and continue to support the Reddies in any way we can.

Old Boy Player Profile

Name: Reuben Robinson

Nickname: Ruby

Years with Club: 4

Position: Flanker (back when it was called breakaway)

Most Memorable Moment: Two 2nd grade grand final wins in '96 and '98. Beating the Aggies in all grades and women's in '96 on their 100th anniversary celebration day when it was the Reddies' 25th anniversary. Very appropriate. Playing with Squirrel. Many other good moments.

Sporting Role Model: Simon Poidevin / Gus Boneham (did I just say that?)

College/Uni Course: Environmental Science

Rugby Career after College: Griffith Blacks for two years. It was nice to play with them for a change after getting pounded by them - they were our main rivals when I was with the Reddies

Most "Colourful" Team Mate: Many contenders but I'd have to say Abo - always ready to speak his mind on and off the field with his unique brand of humour. I haven't been able to erase his chicken dance with Smurf and Gunny from my memory. Many Reddies traumatised by that experience.

I now live in Wagga Wagga
